Dear Karen,

Inga has asked me to forward on the following information I hope this will help you planning your 1994 schedule. This is all the printed information I have at this time. Later in the year I will be sending out the Editorial schedules with the races included on the schedules, we are just waiting for all the 1994 series schedules to be released.

I have also been informed that our rates will remain at the same level for 1994. If you have any further questions please do not hesitate to contact either myself or David Amette.
